

BUNDOORA PRE-SCHOOL DELIVERY AND COLLECTION OF CHILDREN POLICY

Mandatory – Quality Area 2

PURPOSE

This policy will provide clear guidelines to ensure the safe delivery and collection of children attending Bundoora Pre-school.

POLICY STATEMENT

1. VALUES

Bundoora Pre-school is committed to:

- ensuring the safe delivery and collection of children being educated and cared for at the service
- meeting its duty of care obligations under the law.

2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, teachers, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Bundoora Pre-school.

3. BACKGROUND AND LEGISLATION

Background

A duty of care exists at all times the child is attending a children's service. In addition, the service has a duty of care to a child while he/she is on the service's premises even if he/she hasn't yet been signed into the service or has been signed out of the service, and is legally under the care and supervision of the parent/guardian (refer to *Supervision of Children Policy*).

The child may only leave the service in the care of a parent/guardian, authorised nominee or a person authorised by one of these parties to collect the child. An authorised person does not include a parent who is prohibited by a court order from having contact with the child. An exception is made in the event of a medical or other emergency (refer to *Incident, Injury, Trauma and Illness Policy* and *Emergency and Evacuation Policy*) and for excursions (refer to *Excursions and Service Events Policy*).

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. At Bundoora Pre-school, **the minimum age of an authorised nominee is 18 years**. It is acknowledged that there may be extenuating circumstances when a person under the age of 18 years may be suitable/required to collect a child, on authority from parent/carer and that these circumstances will be considered by the Bundoora Pre-school Committee of Management on a case by case basis (agreed by the Committee of Management, October 2018).

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Children, Youth and Families Act 2005* (Vic)
- *Education and Care Services National Law Act 2010*: Sections 167, 170

- *Family Law Act 1975* (Cth)
- *National Quality Standard*, Quality Area 2: Children's Health and Safety

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Attendance record: Kept by the service to record details of each child attending the service including name, time of arrival and departure, signature of person delivering and collecting the child or of the Nominated Supervisor or educator (Regulation 158(1)).

Authorised nominee: (In relation to this policy) a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. At Bundoora Pre-school, **the minimum age of an authorised nominee is 18 years**. It is acknowledged that there may be extenuating circumstances when a person under the age of 18 years may be suitable/required to collect a child, on authority of the parent/carer, and that these circumstances will be considered by the Bundoora Pre-school Committee of Management on a case by case basis (agreed by the Committee of Management, October 2018).

Duty of care: A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

Inappropriate person: A person who may pose a risk to the health, safety or wellbeing of any child attending the education and care service, or whose behaviour or state of mind make it inappropriate for him/her to be on the premises e.g. a person under the influence of drugs or alcohol (Act 171(3)).

Incident, Injury, Trauma and Illness Record: Contains details of any incident, injury, trauma or illness that occurs while the child is being educated and cared for by the service. Any incident, injury, trauma or illness must be recorded as soon as is practicable but not later than 24 hours after the occurrence. Details required include the:

- name and age of the child
- circumstances leading to the incident, injury, trauma or illness (including any symptoms)
- time and date
- details of action taken by the service including any medication administered, first aid provided or medical personnel contacted
- details of any witnesses
- names of any person the service notified or attempted to notify, and the time and date of this
- signature of the person making the entry, and time and date of this.

These details must be kept for the period of time specified in Regulation 183. A sample *Incident, Injury, Trauma and Illness Record* is available on the ACECQA website.

Medication record: Contains details for each child to whom medication is to be administered by the service. This includes the child's name, signed authorisation to administer medication and a record of the medication administered, including time, date, dosage, manner of administration, name and signature of person administering the medication and of the person checking the medication if required (Regulation 92). A sample medication record is available on the ACECQA website.

Serious incident: An incident resulting in the death of a child, or an injury, trauma or illness for which the attention of a registered medical practitioner, emergency services or hospital is sought or should have been sought. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the regulations or is mistakenly locked in/out of the service premises (Regulation 12). A serious incident should be documented in an *Incident, Injury, Trauma and Illness Record* (sample form available on the ACECQA website) as soon as possible and within 24 hours of the incident. The Regulatory Authority (DET) must be notified, via the National Quality Agenda IT System (NQAITS) within 24 hours of a serious incident occurring at the service (Regulation 176(2)(a)). Records are required to be retained for the periods specified in Regulation 183.

Unauthorised person: (in relation to this policy) is any person who has not been listed as an authorised nominee on the child's enrolment form.

If the parent/guardian will not be collecting their child at the end of the session, authority for another adult to do so **must be recorded** in the attendance book.

At the end of the session, parents/guardians - or adults with parental approval - as notified in the

attendance book - must sign the attendance book, indicating the time, and then collect their child from **inside** the playroom.

For safety reasons, parents/carers must enter the pre-school premises via the gate, which accesses the outdoor play area and the back door of the pre-school, rather than through the front door.

At the commencement of pre-school sessions, children must always be taken **inside** the playroom and **not left at the gate** for the following reasons:

- Parents/guardians must complete their child's entry in the attendance book.
- Staff can acknowledge the arrival of each child.
- Staff are inside at the beginning of each session and the playground is not visible from the entrance area of the playroom.
- There can be heavy traffic in the pre-school car park.
- Teachers and educators may need to speak to parents/guardians.
- Communication Pockets are located in the bathroom area, just outside the entrance to the playroom. Parents/guardians are required to check their pockets at the beginning of each session.

Volunteers and students, while at the service, are responsible for following this policy and its procedures.
