- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Bundoora Pre-school
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services

POLICY STATEMENT

1. VALUES

Bundoora Pre-school is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for registration and enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for registration and enrolment
- ensuring all families are welcomed and receive an effective orientation into the service

2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, early childhood education teachers, educators, staff and parents/guardians who wish to register or enrol or have already enrolled their child at Bundoora Pre-school.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to registration, enrolment and orientation (Regulation 168(2)(k)).

The criteria used to determine the allocation of places will vary from service to service, but is generally based on a service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. Registrations and enrolments in the three-year-old program are administered by Bundoora Pre-school. Registrations in the four-year-old kindergarten program are administered centrally by Banyule City Council and enrolment places offered by Bundoora Pre-school.

Four-year-old Program:

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, a priority system for access must be determined by the Banyule City Council in order to allocate the available places. The criteria used to determine the allocation of places may be found in the *Kindergarten Central Enrolment Policy and Procedures (Banyule City Council) 2013*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Criteria for access and inclusion are outlined in *The Kindergarten Funding Guide* (refer to *Sources*). Services participating in central registration/enrolment schemes are required to comply with the enrolment procedures of that scheme.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) Act 1999*

- *Charter of Human Rights and Responsibilities Act 2006* (Vic)
- *Children, Youth and Families Act 2005* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 177, 183
- *Equal Opportunity Act 2010* (Vic)
- *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011*
- *National Quality Standard, Quality Area 6: Collaborative Partnerships with Families and Communities*
 - Standard 6.1: Respectful and supportive relationships with families are developed and maintained
 - Element 6.1.1: There is an effective enrolment and orientation process for families
- *Public Health and Wellbeing Act 2008* (Vic)
- *Public Health and Wellbeing Amendment (No Jab, No Play) Regulations 2015* (Vic)
- *Sex Discrimination Act 1984* (Cth)

Acceptable immunisation certification documentation: the Australian Immunisation Register – Immunisation History Statement is the only acceptable evidence that a child is fully vaccinated for their age. Documentation may be provided to show that a child is on a recognised catch-up schedule if they have fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Approved care: Please note that Bundoora Pre-school is NOT an approved care provider.

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's Confidential Enrolment form.

Child Care Benefit (CCB): A Commonwealth Government payment to help families who use either approved or registered childcare services.

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

Confidential Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including contact details, names of authorised nominees (refer to *Definitions*), names of persons authorised to consent to medical treatment or to authorise administration of medication, names of persons authorised to take the child outside the service, enrolment form; details of any court orders, personal; and health information including specific healthcare needs, medical management plans immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services* and dietary restrictions etc. (Regulations 160, 161, 162). General Registration and Enrolment Procedures – Four- year-old (Funded) Program

1. Registration for a place

- Registrations will be accepted by Banyule City Council, on 1 March of the year after the child turns two.
- The registration process for the funded four-year-old program at Bundoora Pre-school is administered by Banyule City Council according to *Kindergarten Central Enrolment Policy and Procedures* (refer to Sources). Visit www.banyule.vic.gov.au for Registration Forms and details of their registration process.
- Banyule City Council notifies Bundoora Pre-school of the list of children registered once their placement offers have been returned.
- Bundoora Pre-school sends Enrolment Offer Letters, requesting an administration/membership fee, fee deposit and up-to-date AIR – Immunisation History Statement to families on the registration list provided by Banyule City Council.
- Children are unable to attend sessions at Bundoora Pre-school until they have submitted a Registration Form and been allocated a position by Banyule City Council.

2. Confirmation of places

Enrolment places will be offered, in writing, to families on the registration list provided by Banyule City Council making clear that confirmation of places is not final until an up-to-date AIR – Immunisation History Statement, or evidence that a child is on a catch up schedule is received.

The *Immunisation enrolment toolkit for early childhood education and care services* outlines the process for collecting immunisation certification documentation and any exemptions:

<https://www2.health.vic.gov.au/about/publications/policiesandguidelines/immunisation-enrolment-toolkit>

The acceptable outcomes of the assessment for confirming an enrolment place are:

- That the next due vaccine for the child on the AIR - Immunisation History Statement is within the acceptable timeframe for an enrolment, or;
- That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
- That the child has a medical reason not to be vaccinated, or,
- That the child has been assessed by Bundoora Pre-school as being eligible for a 16 week grace period

The person responsible for the enrolment process advises the parent/guardian in writing whether an offered place is confirmed and the enrolment can proceed.

Parents/guardians who do not have an up-to-date AIR – Immunisation History Statement for their child cannot have an enrolment place confirmed and are referred to Australian Immunisation Register (refer to Attachment 3 – Letter for parents/guardians who do not have acceptable immunisation documentation).

Parents/guardians who do not wish to accept the offer of an enrolment place, or intend to withdraw their registration, are requested to notify the Bundoora Pre-school Enrolment Secretary and the Banyule City Council Enrolment Officer, in writing, as soon as possible.

A deposit must be paid by the date specified in the offer letter to hold the enrolment place for the following year. This deposit will be credited towards term one fees.

A Confidential Enrolment Form and other relevant information will be provided, at the Annual General Meeting, after an enrolment place has been accepted, and confirmed, and the deposit has been paid.

Note: Places will not be allocated to children until any substantial debt owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

3. Allocation within groups

Where the service provides more than one funded kindergarten program places within the program groups will be allocated by the service in line with the eligibility and priority of access criteria.

Considerations may include:

- Needs of individual children
- Needs of the group
- Parent/guardian wishes.

4. Eligibility and priority of access criteria for the four-year-old funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Funding Guide* available at:
www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Funding Guide*, available at:
<http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs

Bundoora Pre-school participates in Banyule City Council's central enrolment scheme, when demand exceeds availability, Banyule City Council will allocate program positions according to the *Kindergarten Central Enrolment Policy and Procedures* (see Sources)

Dear [insert name]

Re: Enrolment at Bundoora Pre-school for

I am contacting you regarding your offered enrolment place for [insert child's name] at Bundoora Pre-school in the four-year-old program in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided an up-to-date Australia Immunisation Register (AIR) – Immunisation History Statement

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age, as shown on an up-to-date AIR – Immunisation History Statement
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received an up-to-date AIR – Immunisation History Statement or other evidence, as detailed above, for [insert name of child] by the due date, we are unable to confirm an enrolment place at our service for your child. We will inform Banyule City Council that we will be removing {insert name of child} from our enrolment list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- Banyule City Council
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to consider a new enrolment application accompanied by an up-to-date AIR – Immunisation History Statement. The new application would be considered in line with Bundoora Pre-school's *Registration, Enrolment and Orientation Policy*.

Yours sincerely,

General Registration and Enrolment Procedures – Three-year-old Program

1. Application for a place

- Registrations will be accepted on 1 March of the year prior to a child being eligible to attend.
- Registration Forms are available from the service and at www.bundoorapreschool.com.au and are provided to the parents/guardians including information about the requirements of the law for enrolment, locating and accessing immunisation services, obtaining acceptable immunisation documentation and the *Registration, Enrolment and Orientation Policy*.
- A separate Registration Form must be completed for each child, and for each proposed year of attendance at the service.
- To facilitate the inclusion of all children into the program, the Registration Form should clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- A copy of the child's birth certificate must be submitted with the Registration Form.
- A copy of the child's up-to-date AIR – Immunisation History Statement must be submitted with the Registration Form.
- All Registration Forms must be accompanied by the administration/membership fee. This fee is to cover administrative costs associated with the processing of a child's enrolment application, and constitutes the fee payable to become a member of the Bundoora Pre-school Association Inc. It is not refundable.
- Completed Registration Forms are to be forwarded to the Enrolment Secretary at the service, at 20 Noorong Avenue, Bundoora 3083 or via enrolments@bundoorapreschool.com.au.
- Access to completed Registration Forms will be restricted to the Enrolment Secretary, the Approved Provider, Nominated Supervisor, teachers and educators at the service, unless otherwise specified by the Approved Provider.
- Registration will be entered on the waiting list using the eligibility and priority of access criteria.
- Registrations received after 1 March in the year prior to attendance will be considered in line with the enrolment process outlined below in the *Process for enrolling children in the three-year-old- program* section.

2. Offer of places

Enrolment places will be offered, in writing, to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until a copy of the child's birth certificate has been provided and an up-to-date AIR – Immunisation History Statement has been received (these documents are requested at the time of registration).

The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the teachers and/or educators on behalf of the Approved Provider. The acceptable outcomes of the assessment for offering a confirmed place are:

- That the next due vaccine for the child on the AIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
- That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
- That the child has a medical reason not to be vaccinated, or,
- That the child has been assessed by Bundoora Pre-school as being eligible for a 16 week grace period
- The person responsible for the registration and enrolment processes advises the parent/guardian in writing whether an offered enrolment place is confirmed and the enrolment can proceed.
- Parents/guardians who do not provide an up-to-date AIR – Immunisation History Statement cannot have their registration application accepted and are referred to Australian Immunisation Register or to an immunisation provider (refer to Attachment 6 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Parents/guardians who do not wish to accept the offered enrolment place, or intend to withdraw their enrolment, are requested to notify the Enrolment Secretary, in writing, as soon as possible.
- A deposit (non-refundable) must be paid by the date specified in the enrolment offer letter to hold the place for the following year. This deposit will be credited towards term one fees.
- A Confidential Enrolment Form and other relevant information will be provided, at the Annual General Meeting, after an enrolment place has been accepted and the deposit has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family are paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

3. Eligibility and priority of access criteria for the funded kindergarten program – three-year-old

The following children are eligible for a funded place in the three-year-old program:

- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours.

4. Eligibility and access criteria for three-year-old children

Children are eligible for attendance in the three-year-old program provided they have turned three prior to commencement.

5. Process for registering and the enrolment of children in the three-year-old program

Bundoora Pre-school offers a three-year-old program of two, **2.5 hour sessions per week**

*Children can be registered for a place in the three-year-old program at Bundoora Pre-school **from 1 March of the year prior to being eligible to attend***. If 1 March is a Saturday or Sunday, the first date for enrolment will be the following Monday.*

* To be eligible to attend the three-year-old program, a child must turn three years old by 30 April of the year they attend. They may not commence until they turn three.

The Process:

- All registrations received (by close of business) in person, by post or email, on **1 March** will be treated equally. **Any registrations received before this date will be treated as if received on 1 March to ensure that the process is fair and equitable.**
- If the number of registrations received on 1 March exceeds the number of enrolment places available, then all registrations will go into a ballot so that enrolment places will be allocated in random order. Once all program enrolment places are filled, the remaining registrations will be drawn in random order to be added to the waiting list. This process will be carried out by two committee members and one staff member.
- If the number of registrations received on 1 March is less than the number of enrolment places available, registrations (from 2 March onwards) will then be taken on a first in, first served basis until all places are full. Once enrolment places are filled, the waiting list will commence.
- Those families who secure a place on the enrolment list will receive a letter stating that they have been successful in securing a place on the enrolment list.
- Those families who are placed on the waiting list will receive a letter detailing their number on the waiting list. They will be asked to confirm whether or not they wish to remain on the waiting list.
- Official Enrolment Offer Letters, requesting deposits to confirm places, are sent out in the first weeks of July in the year prior to the child attending*. If, at this time, enrolment places become available, families on the waiting list will be contacted to determine if they still wish to have an enrolment place in the program.
- Registrations received after the program has commenced will be accepted at the discretion of Bundoora Pre-school in consultation with the three-year-old teacher. However, no new enrolments will be accepted after the end of term two.
